Welcome at Faculty of Bioscience Engineering - Ghent University
PRESENTATION

FACULTY OF BIOSCIENCe ENGINEERING

Prof. Van Huyslenbroeck
Dean
Faculty of Bioscience Engineering (FBE)

Founded 1920 as Independent Higher College Agriculture – as of 1969 – part of Ghent University
Landbouwhoogeschool
van den Staat
TE GENT

Studie van Ingenieur-Agronoom
(Afdeelingen Landbouw,
Koloniale Landbouw, Boschbouw)
en van Landbouwscheikundig Ingenieur
Duur der Studiën: 4 jaar

Tafel der Lesuren
1928 - 1929

AUDENARDE, DUKKERIJ VANTENDRIJSCHE
Experimental farm in Melle
Ghent University: founded in 1817
11 Faculties

- Arts and Philosophy
- Law
- Sciences
- Medicine and Health Sciences
- Engineering and Architecture
- Economics and Business Administration
- Veterinary Medicine

- Psychology and Educational Sciences
- Bioscience Engineering
- Pharmaceutical Sciences
- Political and Social Sciences
Facts & Figures

+40.000 students of which ± 3500 in FBE
  12% international students (+ 4.400)
+3.800 PhD students of which ± 700 in FBE
  30% international PhD students (+1.000)
+8.100 staff (excl. 6.000 Ghent University Hospital)
Ranking

Shanghai Ranking – August 2014
  ▶ World rank: 70
  ▶ National rank: 1

THE Ranking – October 2013
  ▶ World rank: 85
  ▶ National rank: 2
• **5th** in the National Taiwan University Ranking in Agricultural Sciences
• **38th** in the Times Higher Education World Universities Rankings in Life Sciences
• **41st** in the Academic Rankings of World Universities (Shanghai) in Life and Agriculture Sciences
• **44th** in the QS World University Rankings in Agriculture and Forestry
FBW: Top Level Research
Number of A1 publications FBW

- 2004: 337
- 2005: 420
- 2006: 425
- 2007: 478
- 2008: 508
- 2009: 593
- 2010: 579
- 2011: 639
- 2012: 649
- 2013: 738

Faculty of Bioscience Engineering – January 2015
PhD graduates

- Belgian students having obtained a doctoral degree
- Foreign students having obtained a doctoral degree
- Total number of students having obtained a doctoral degree

Faculty of Bioscience Engineering – 2015
Quality of papers (percentage in top 25 %)
Experimental Farms (Melle, Bottelare (since 2013))
Experimental fields of Faculty of Bioscience Engineering in Melle
Selection of tall fescue
‘Femelle’, *Festuca* from Melle
